If meal accounts are not kept up to date then we will request that your child brings in a packed lunch and they will be unable to order a school meal.

If your child is going to be late to school on any occasion it is important that you let the office know **before 9.30am** what your child would like for their dinner that day. This will enable the cook to provide sufficient quantities of all the choices. If you do not inform the office in advance we cannot guarantee children a choice.
