

Frances Howat

I am vice-chair of Governors, a member of the School Improvement Committee and the Link Governor for Science.

I have been a governor at Leverstock Green since 2003 and my original connection to the school came about because both my children attended the on-site workplace nursery as I worked for bp at Breakspear Park.

I am a qualified Chartered Accountant and more recently I have moved into HR, I still work at BP where I am responsible for the learning and development of our global finance teams.

I am passionate about education, lifelong learning, equality, social mobility, and inclusion. As well as being a governor I am a trustee at the Toy Project, a North London based charity that recycles new and used toys and gives them to children who need them.

I love to be outdoors. I am at my happiest when I am walking in the mountains with friends and family.

*I will lift up mine eyes unto the hills, from whence cometh my help Psalm 121:1 KJV*
