

Julie Walters

I am a Staff Governor and have lived in Hemel Hempstead all my life.

I joined Leverstock Green CE School in 2011 as a Midday Supervisory Assistant (MSA).

In January 2019, I became a Learning Support Assistant – a job I felt was very rewarding. Just recently, in September 2024, I was appointed the Year 5 Teaching Assistant. I'm loving and embracing my education journey with them.

When I'm not in school, I enjoy watching my son play football for a local team, of which I am his team's Match Day Delegate.

I also love gardening, reading, and playing maths puzzle games.
