ANXIETY UNRAVELLED

Supporting My Child With Anxiety

A three-session on-line course for parents

7th, 14th & 21st March 2023 - All 20:00-21:00

Fully funded by DSPL & Dacorum

Children and young people will feel anxious and worried from time to time. Anxiety is a normal or usual response to uncertainty. The way we respond as parents, and deal with our own anxiety plays a significant part in building our children's capacity to develop resilience.

The world around us can often generate lots of uncertainty and affect the way we go about our everyday lives. You may be more worried than usual or perhaps you are in the midst of a growing cycle of worry and concern that you'd like to unravel. You are not on your own.

It is possible to use this experience to learn how best to help children not only understand why human beings experience anxiety, but also to help them, and you, develop strategies that will really help in a practical way.

Join Bounce Forward for a series of **three 60-minute webinars** to explore anxiety. The sessions will provide a space to think about your own responses and provide some practical tips and advice that you can use at home to help your children develop their resilience to anxiety.

Carers in Hertfordshire

Making Carers Count

About Us

Carers in Hertfordshire is the leading countywide charity for unpaid carers looking after a partner, relative, friend or neighbour due to illness, frailty, mental health needs, disability or substance misuse.

We support all carers - children and adults - living, working or caring in Hertfordshire, and bereaved carers for three years after the death of the person they cared for.

Carers do not have to live with the person they are looking after to receive help and advice.

For more information about our services or how you can support our work, see the contact details below.
