## **A Social Story to help me feel safe and calm**

**I will get ready for school and say goodbye to my grown up.**

**I will then say hello to my teacher.**

**She will help me to hang up my coat and post my name card.**

**I will then choose what to play with and make some friends.**

**I will have some milk or water and I can choose some fruit for my snack.**

**I will enjoy some stories and singing too.**

**Then, my grown up will come to pick me up. They will be so proud at how grown up I am.**

**We look forward to getting to know you and your family in the new term.**
