10th November 2026

Dear Parent/Carer

Year 5 Bikeability

The cycle training team at Herts County Council have just confirmed our session for this Spring term for a Level 1 & 2 Bikeability. The cycling course will be run at school for pupils in Year 5 on the 23rd – 26th February 2026 and will include Highway Code theory plus skills exercises on the playground. There will also be basic manoeuvres on local roads for those who have reached the required standard of cycle control. The on-road sessions include starting, stopping, overtaking, making U turns and turning left and right into and out of side roads. Please note that the course is designed to improve cycle control, not teaching children to ride. Children should therefore be encouraged to practise beforehand, especially signalling.

Children will need **a roadworthy bicycle and their own cycle helmet** and will have to attend each day of the course. They should wear clothes appropriate for cycling and the weather conditions. If helmets are not brought in the children will not be able to participate.

This is a non-compulsory course and the cost will only be **£25.50** per child due to a subsidy from Herts County Council. As there are limited spaces the course will be on a first come first served basis. If you wish your child to take part, consent and payment must be paid on Arbor/Trips no later than **9th January 2026**.

The office need to confirm numbers and payments with Herts County Council no later than 19th January.

Please do not hesitate to contact the office should you have any queries, need to discuss payment or require further information.

Yours sincerely,

Mrs V Burgess
Headteacher
