

Netball Training

Years 5 & 6 Girls

Wednesdays, 3:15 - 4:15pm

Imogen & Orla will be coaching our after-school Netball training again in the Summer, those who take part will be given the opportunity to represent the school in organised matches and tournaments if selected for the team.

The first Spring Term session will take place on 15th April and the last session 15th July. *No session 20th May.*

All sessions running will show on Arbor and if for any reason a session needs to be cancelled, you will be notified at the earliest opportunity.

Children will go straight to the Sunshine room from class at the end of the day and leave their bags there or outside.

Pupils can wear their own kit for training but will be required to have the following:

- Trainers (training will not be permitted without the correct footwear)

- Weather appropriate clothing

- Water bottle

- No jewellery is to be worn and hair should be tied back.

The school will update you with fixture information as early as possible via Arbor. If a match is taking place and your child has not been selected for the team, training may be cancelled – we will notify you if this is the case.

On match days please note that the organisation of transport to any away fixtures is the responsibility of the parent and/or carer. If you wish another parent to transport your child, then please provide written permission to our school office prior to the fixture.
