

## **VICTORIA MAY-MILLS**

Victoria has two children at Leverstock Green School and a third child who will hopefully also attend the school in the coming years.

Victoria works in the NHS in a mental health Trust leading the lived experience workforce to drive service improvement in Specialist Services, which includes Children and Young People Mental Health Services. Victoria is passionate about developing the understanding of children's mental health needs and the importance of broadening the provision to support this.

In her personal life, Victoria likes to spend quality time with her family and friends and enjoys staying active through dancing.
