

Nicola Lucas-Shah

I am a governor appointed in autumn 2025. While I don't live in Leverstock Green, I have friends that have children who go to the school. I have a young daughter who is not yet the age to attend school but I have a keen interest in growing my understanding of the education system.

I am a qualified lawyer with extensive experience guiding boards on corporate governance, audit, risk, legal and compliance matters. I currently work for a large UK womenswear retailer. I have held a number of voluntary NED and trustee roles including the OneYMCA headquartered in Watford and the Hertfordshire Football Association. I've always looked to give back in voluntary roles outside of my day job to help healthily check, challenge and guide organisations with my skillset.

Outside of work, you'll find me running around after my toddler, walking my two Frenchies and keeping active around Boxmoor.
